

Great Clients. Great Projects. Great People.

As an M² consultant you will have interesting work, support from a team of dedicated professionals and recognition for your service and contribution to M² Consulting and to our clients.

Challenging projects. M² projects are driven by critical client business initiatives that often demand consultants who can bring more than just seasoned, targeted expertise. Client projects frequently require leadership as well as the ability to bring neutral objective perspective, best practices, knowledge transfer, and coaching/mentoring.

Long Term Client Relationships. Our business relationships open doors. Over the years we have developed a reputation for consistently delivering results. Our strong client relationships are founded on deep knowledge of our client's culture, organization and business objectives.

Unique Professional Partnership. Consulting is our business. We understand the role each consultant plays in creating value and client satisfaction. The M² team invests time to understand your background and interests and provides opportunities that enable you to make significant contributions.

The M² Difference. We are known for our collaborative approach and long-term relationships with both consultants and clients. Over 80% of our business is repeat client business...a testimonial to the confidence both our clients and consultants have in the M² approach and our ability to deliver value.

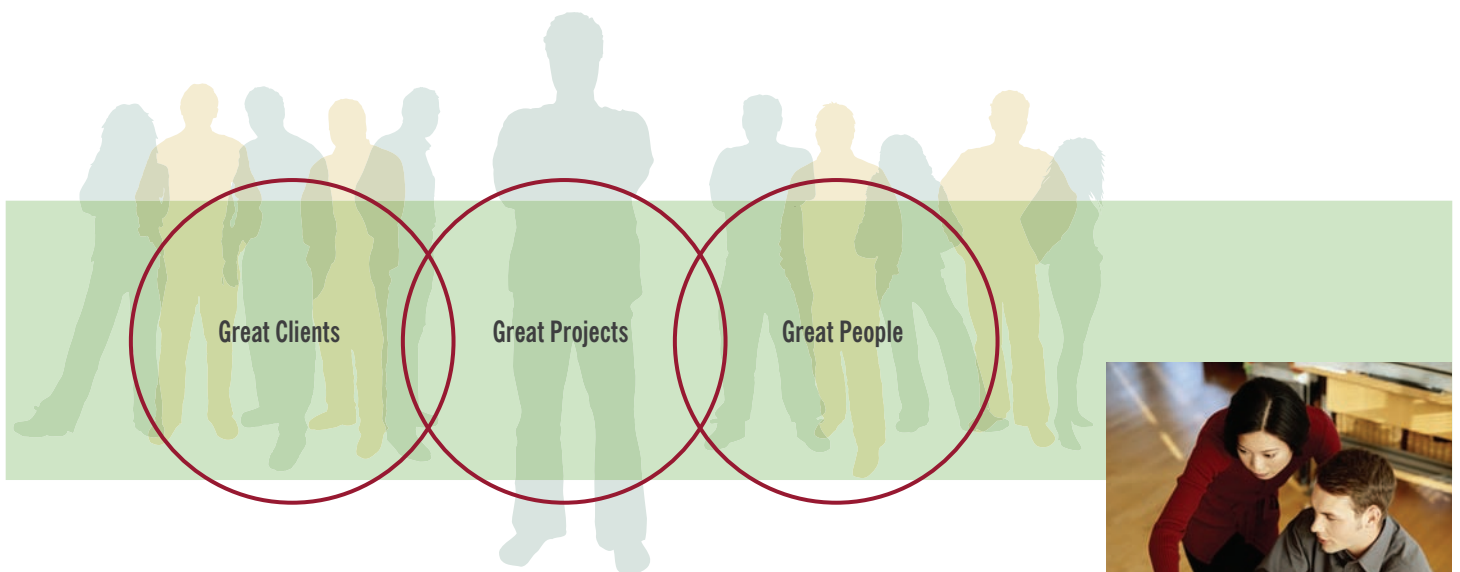

M² Consulting is a specialty consulting firm dedicated to helping our clients solve their critical business issues by providing seasoned, targeted consulting expertise tailored to our clients' unique needs.

M² provides unique value:

- » neutral, objective solutions
- » targeted senior talent
- » cultural fit
- » strategy and execution
- » integrated collaborative approach
- » flexibility
